**Summary:** Addressing sixteenth-century Anabaptist leader Pilgram Marpeck's thought and life, this volume's 11 authors explore Marpeck's significance for his own time and today. Contributors include Matthew Eaton, Scott Holland, Trevor George Hunsberger Bechtel, Duane K. Friesen, Javan Lapp, Gerald J. Mast, Joanna Lawrence Shenk, Anthony G. Siegrist, Philip E. Stoltzfus, J. Denny Weaver. *Anabaptist Theology After Marpeck* models engaging history and using theology to understand contemporary public concerns.

"In recent years scholarship on Pilgram Marpeck, and the Covenanter community to which he belonged, has undergone a profound transformation. This collection of creative essays explore one dimension of that new research, highlighting especially Marpeck's ongoing relevance to the pressing question of the church's witness in the public square. I highly recommend this book."

—John D. Roth, Professor of History, Goshen College; Director; Mennonite Historical Library; and Editor, Mennonite Quarterly Review

"More than a decade in the making, this is an excellent foray into the thought of Anabaptist theologian, Pilgram Marpeck. Looking back to this sixteenth-century figure, whose influence was nearly lost to history for four centuries, we find insight into how to keep Jesus central as the church seeks to carry out a faithful witness in the world. As such, the essays here can help Christians navigate our own time, fraught as it is with dubious alliances between Christianity and all manner of worldly distractions—from the disembodied spirituality of therapeutic deism, to support for supposedly 'just wars' on terror, to the autonomy of the individual, to partisan captivity of the Christian witness, to populist demagoguery."

—Barry Hankins, Professor of History, Baylor University; Editor, Journal of Church and State; Author, Baptists in America: A History
